Our Classroom Values

We Never Stop Improving
We lend an ear to both praise and feedback to deliver our best work.
This process is a journey and not a destination.

We Bring a Can-Do Attitude
We confront challenges with enthusiasm and figure things out. We value effort,
Commitment, learning, and an attitude toward growth.

We Only Succeed Together
Teamwork is critical to our success, and we place a tremendous value on how we work
together across the entire cohort.

We Respect the Rights, Differences, and Dignity of Others
We want to create a learning space where people can bring their full selves. In order to do
this we must all respect the diversity of our experiences and how it contributes to our learning.

Requirements to Achieve a Certificate:

☐ Miss no more than 8 classes

☐ Have no more than 2 incomplete/unsubmitted homeworks

☐ 100% meaningful participation in all projects
